MEMORANDUM FOR: Director of Security

SUBJECT : Office of Security Statistical Report
for DECEMBER 1965

1. The attached tables reflect some of the activities of certain components of the Office of Security during December 1965.

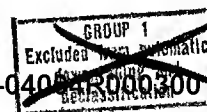

2. The statistics in the tables are compiled by the component concerned and refer to the current month.

3. The following statistics are furnished for the purpose of comparison between this month and previous months:

	<u>November 1965</u>	<u>December 1965</u>	<u>December 1964</u>
Overt & Semi-Covert Cases Received	2085	1965	1622
Covert Cases Received	2116	1620	1514
Total Days Processing Time (applicant-type)	72	75	64
Man-Hours Expended (Covert Support)	5728	5345	8615

After a high November, the number of overt, semi-covert and covert cases decreased by 616 for the month of December 1965. However, the cases for December 1965 still exceed the number for December 1964 by 449 cases. Processing time has increased, however, it should be noted that investigative time for November and December 1965 is 56 days, respectively.

4. The following are noteworthy items for the month:

a. The Director of Security briefed the Inspector General and the I. G. Team as the initial step in the overall I. G. Survey of the Office of Security.

b. The Army's implementation of the security recommendations contained in the JCS survey of the ARFCOS System was discussed at a recent Security Committee meeting. It is anticipated a joint regulation will be initiated by the services as a result of the survey.

c. Members of the Security Committee were furnished a proposed draft concerning Committee procedures in the case of defection, penetration or other unauthorized disclosure and the salient points to be included in any damage assessment resulting from such compromise.

d. The annual report of the Security Committee setting forth the actions taken by the community to enhance the counter-intelligence and security posture of the nation was submitted to the DCI for forwarding to Mr. McGeorge Bundy and the PFIAB. Copies were given USIB distribution.

e. Security representatives participated in a [redacted]

[redacted] project operated jointly by the Office of the Assessment and Evaluation Staff.

f. Arrangements were completed for the accreditation of a codeword facility at the Office of Emergency Planning classified location.

g. A briefing on Project Chive was given to representatives of interested Agency components. This Project concerns the automation of OCR indices to permit rapid reference to documents and information on an all-source basis. The Office of Security will participate fully in the development of the program to insure that necessary security safeguards are maintained.
